

16-7-52 Business bleaching shop
out of The Principal said that the flashing
reports was very bad and would have to
 be re-done to make a satisfactory
 job.
 Mr Nicholson said that to prevent water
 soaking through the parapets they
 should be painted with a special
 paint handled by Banks. This paint
 makes brickwork impervious to moisture
 and lasts several years.

Motorizing of lathes etc
 The Principal said that all new
 machines are now motorized and
 the older machines are being
 motorized as quickly as funds and
 labour will permit.

Tool and Gauge Room
 The Principal said that the hold-up
 with the Tool and Gauge Room was
 due not so much to the delay over
 the provision of a wall and a ceiling
 but to the non-delivery of special
 equipment ordered from overseas
 and now requiring import permits.

Accounts Accounts amounting to £4665-15-1
 on maintenance and £329-18-9 on
 Special Equipment Grant etc as per
 Chairman's Book folios 57/58, were
 passed for payment
