

20-8-52 was rather cramped. They knew that both these matters were in the hands of the Public Works Department for attention and which would be received in due course.

The report was received and adopted  
(Mrs. Wyles & Callow)

Business Lectures in agricultural subjects  
out of It was resolved that the question reports of providing lectures in these subjects be brought ~~under~~ <sup>under notice of</sup> the Ballarat Agricultural and Pastoral Society for the purpose of ascertaining whether sufficient interest would be forthcoming and that the matter be left in the hands of the Principal  
(Mrs. Callow & Linaker)

Visits to Industrial Establishments  
Mr. Kearland said that from his observation it would be more satisfactory if smaller groups of students were conducted on visits of inspection. The Principal said that the practice with senior students had always been to have small groups and he would bring the matter under the notice of the Head Master of the Junior Technical School in connection with visits of boys from that school.
