Junior Technical School Stairway

The Principal said that the exterior stairway had been repaired recently but

the Education Department had been notified that the structure was in a

dangerous condition and the local Public Works Inspector had recommended

that it be replaced with <sup>something</sup> more suitable. Some form of protection from

weather was also required.

13-5-53 Junior Technical School Ramp  
 The Principal said that the dangerous condition of this ramp had been reported to the Education Department on a previous occasion. He would ask the Department for information regarding this matter.

Accounts Accounts amounting to £6105-10-5 on Maintenance and £125-1-2 on Special Equipment Trust etc as per Chairman's Book folios 71. were passed for payment. (Mrs Kinaker & Lawry)

Correspondence The following inward letters were read and received; -

20-4-53. City Council. City Engineer to report on request for excision of gaseous discharge street lighting

22-4-53. Education Department. A survey of proposed Technical School site in the Ralph Estate being obtained. Acquisition to be proceeded with in next financial year. (Mrs Kinaker & Scanland.)

General Condolence

Business It was resolved that a letter of condolence be forwarded to Mr W. E. Pearson, in connection with the death of his father. (Mrs Lawry & Webb)

Visiting Committee

Mrs Pittson and Sutton were appointed the Visiting Committee, Mr Kinaker to act as convenor.

This concluded the business and the meeting closed.
