

17-6-53 Department in the provision of a room for the Tool and Gauge Department.

Mr Goldsmith expressed his appreciation of the help given by Mr Chatter of the Apprenticeship Commission Staff in connection with apprentices.

At the time of the visit a class of Farming boys was in session.

Both Mr Goldsmith and Mr Gordon of the Blacksmithing Department remarked on the fine type of lads in the Farm Mechanics class this year and said that parents had called at the school and expressed their appreciation of the training their sons were getting. The engineering and Blacksmithing Departments were found to be in good order and no requests were received from any members of the staff.

The report was received and adopted. (Mrs Bealand & Small)
