Visiting Committee's Report

The Chairman reported that he and
Mr. A. W. Nicholson had inspected the
Junior Technical School and Totters
Department on Thursday 15th October.
In the assembly area they noticed that
the recently asphalted surface was
very soft. They were informed that it
was to be re-sanded with a view to
binding the surface. They suggested
that the galvanised iron could be painted
to improve the appearance of the assembly
