The Principal said that £1500 worth of equipment was still available but he could not ascertain how far down the list was the approved extension to the Junior Technical School as Mr. Harriesth was not available on the day of his visit to the Department.

He favoured going ahead with the conversion of the two rooms facing the junior school entrance drive as soon as Mr. L. Garner returns from overseas.

It was resolved that this matter be left in the hands of the Principal for the time being.

(Mrs. Hinshaw & Kitchson)

Staffing at Junior Technical Schools.

The Principal said that the position had been made easier by the appointment of two temporary teachers for the girls but the staff at the boys' school was still 1/2 short.

It was decided that the Principal convey to Mr. R. Shannon, Staffing Inspector, the Council's appreciation of his helpful efforts and their hope that he will be able to find the necessary staff in the near future.

Girls' Junior Technical School - Drainage

It was resolved that the attention of the City Council be drawn to the absence of a drain in Hickman Street to cope with storm water from the new school and adjacent houses.

(Mrs. Inail & Sutton)

17-3-54 New Boys' Junior Technical School

It was resolved that the Education Department be requested to provide classrooms and a machine shop in Norman Street for occupation in 1955.

(Mrs. Bealand & Blake)

Agrostology Classes, 1954.

It was resolved that this matter be left in the hands of the President and the Principal.

(Mrs. Kitchson & Wyles)

Equipment for Motor Mechanics.

The President said that he believed that there were items of equipment from old cars and trucks at the works of Ronaldson & Liffeld Ltd which could be made available to the school. He promised to look into the matter.

He also said that concrete floors at the works had been treated with tar over a number of years and had been found to be very satisfactory in preventing slipping and the creation of dust.

Accounts

Accounts amounting to £2488-17-11 on maintenance a/c and £1214-0-0 on special equipment trust a/c as per Chairman's Book, folio 85 were passed for payment.

(Mrs. Kitchson & Sutton)
