

15-9-54 Could have been caused by this fault.  
The report was received and adopted.  
(Mrs Pearson & Ballou)

Business Instructor in Electric Wiring, Class D  
out of reports. It was resolved that this position be re-  
advertised in accordance with the wish  
of the Education Department.

(Mrs Tinaker & Wyles)

### Gymnasium

It was resolved that the choice of  
a site in the Junior Technical grounds  
for this building be referred to the  
President, Mrs Nicholson, Mr Webb and  
the Principal for recommendation.

(Mrs Bealand & Pearson)

### Alteration to road near White Slab

It was resolved that an inspection of  
this road in front of the Girls' Junior Technical  
School be <sup>inspected</sup> by Mrs Nicholson, Ballou  
and the Principal and that a report be  
submitted at the next meeting.

(Mrs Tinaker & Wyles)

### Extensions and alterations at Junior Technical School.

On the recommendation of the Principal  
and the Head Master it was resolved  
that the Education Department be requested  
to proceed with the extensions and  
alterations recommended in 1951.

(Mrs John Bealand)

### Chemistry Lume Cupboard.

The Principal said he had taken up  
this matter with the Public Works  
Department.

### Auditors' Report.

The Auditors' Report for the period ended 31<sup>st</sup> July was  
read and received. (Mrs Lynch & Pearson)

15-9-54 Old Court House roof.  
It was resolved that the Education Department  
be again informed that in the opinion  
of the School Council the re-slating of  
portion of this roof will be unsatisfactory.  
(Mrs Pearson & Bealand)
