

17-11-54 Commendation and best wishes.

General Business
It was decided that Mr J. Skuja, holder of the City Council Scholarship be commended for his action in taking out naturalization papers and that the best wishes for his future success be conveyed to him.

Conversion of £500 Australian Consolidated Inscribed Stock due 15-12-54.

It was resolved that application be made for the conversion of £500 of 3 $\frac{7}{8}$ % Inscribed Stock due 15-12-54 into 4 $\frac{1}{2}$ % Inscribed Stock due 15-11-1968 and that the seal of the school be impressed thereon in the presence of the President, Vice-President or Mr S. Beartland and the Registrar who shall sign as witnesses.

(Mrs Beartland & Smith)

Diploma of Electrical Engineering
It was resolved that the Diploma of Electrical Engineering be awarded to Donald Albin Lewis and that the seal of the school be impressed thereon in the presence of the President, Vice-President or Mr S. Beartland and the Registrar who shall sign as witnesses.

(Mrs Smith & John)

Selection Committee.

It was resolved that the Finance Committee meet at 10 am on Saturday 20 November for the purpose of interviewing applicants for the positions of Assistant Instructor in Turning and Fitting and Tool and Die Making and Assistant Instructor in

17-11-54 Electrical Mechanics and with power to make recommendations to the Education Department.

(Mrs West & Ballou)
Inspection of Tool and Die Making equipment

This concluded the business and members adjourned to the Machine Shop where Mr L. Cunningham demonstrated the use of tool and die making equipment including the wire power press, hydraulic surface grinder, relieving lathe, electro-limp external comparator, slip gauges, surface plate etc.

At the conclusion of the demonstration the President thanked Mr Cunningham for the very interesting demonstration and said that precision work was essential in industry today and instanced the development of secondary industry in U.S.A. particularly in connection with machine tools.

M. J. Smith 15-12-54
