(Mrs. Mail & Williams)

Business Balcony at Junior Technical School.

Arising It was resolved that this matter be re-opened with the Education Department.

Cooperation (Mrs. Stokri & Beauland)

Re-classification of Mr. L. Cunningham It was resolved that a further recommendation be forwarded to the Education Department regarding this matter and that his age, experience and the advanced nature of instruction he is now giving be stressed.

(Mrs. Wyles & Smith)

Thickman Street Deviation The Principal reported that he had discussed this matter with senior officers of the Education Department.

15-12-54 and had been informed that both the Chief Inspector and the Director were in favour of proceeding. It now remained for the Minister to approve of the expenditure.

It was resolved that the City Council be informed of the position and request be requested to take the necessary initial proceedings.

(Mrs. Linaker & Beauland)

General Junior Technical School Speech Night

Prizes The President paid a tribute to Mr. L. Garner Head Master for the excellence of his Annual Report and also for the organisation in connection with the Speech Night.

Mrs. Mail said that it was disappointing that there was such a poor attendance of members of the Council at this function. Several members of the staff had spoken to him about it during the supper that followed the main function.

Lapwell to Mr. W. Paterson

The President reported that he had attended a small farewell and presentation to Mr. W. Paterson who was retiring after 41 years as teacher at the Junior Technical School.

It was resolved that a letter be forwarded to Mr. Paterson conveying the Council's appreciation of the services rendered by him to the school during that period and best wishes for the future.

This concluded the business and the meeting closed with an exchange of seasonal greetings.

Mrs. Wyles
