Annual Report and The President moved the adoption of the
Annual Report and Statement of Receipts
and Payments.

Financial Statement He drew attention to attendances
at meetings and said that some of the
figures were disappointing.

The figures shown in the financial
statements were getting bigger every year
and he doubted whether Ballarat people
realised the important part the school
was playing in the educational and
economic life of our city.

He had pleasure in mentioning that
John Skyya, who had been the holder of the
City Council scholarship, had just
received word that he had been
awarded the Simon Fraser the Younger
scholarship at Trinity College.
