

11-5-55

Annual Prize Night.

It was resolved that the Parents' and Friends' Association be congratulated on the highly efficient manner in which they had attended to the catering side of this function.

(Mrs John & Linaker)

Subsidy for Recreation Hall.

The Principal said that the total funds in sight for the Recreation Hall were about £900 short of the estimated cost of the first section. The Department's subsidy was limited to £150 by regulations but he felt that a direct approach to the Minister of Education for a special subsidy of £1 for £2 might be successful.

It was resolved that the matter be left in the hands of the President and the Principal to make the necessary application to the Minister at the most favourable opportunity.

(Mrs Dinaker & Gmel)
