

13-12-55 and after being entertained at luncheon was shown the partly erected gymnasium and recreation hall. He was not in favour of a galvanised iron building and promised that a subsidy of 50% of the cost up to a total of £6500 would be met by the Education Department.

It was resolved that a letter be forwarded to the Minister thanking him for his visit to the school and for his sympathetic consideration of the Council's request for a subsidy.
