Acquisition of houses in Grant Street. The Principal reported that all the houses in Grant Street on the site of the proposed Domestic Science School, with the exception of no 123 owned and occupied by Mr S. Beadlam, had been acquired, and would be removed in the near future.

Mr Beadlam had been offered £2800 and the right to remove the house but so far had not indicated his intentions.

Mr J. Whitfield, Chief Clerk in the Technical Schools Branch of the Education Department would be visiting Ballarat during the coming week for the purpose of getting finality in this matter. As it might ultimately ~~have to~~ be referred to the Court, the support of the School Council would strengthen any action the Department might take.

After a brief discussion it was resolved that the School Council give full support to the Education Department in any action the Department might take in acquiring Mr Beadlam's property at 123 Grant Street, Ballarat.
