as the result of Mr Webb's approach had  
surfaced the footpath with gravel.  
A bracket light had been provided by  
the school at the Albert Street entrance  
and these had improved conditions  
considerably.  
Mr Webb raised the point as to whether  
the Education Department would be

Visiting Committee's Report

Mr Nicholson reported that an inspection  
of the school had been carried out by  
Mr Patterson and himself on the  
previous Friday afternoon.

They found everything under very good  
control. The school is a credit to  
the Principal and staff and the  
equipment gave every appearance of  
being well cared for.

Mr Patterson said that the visit was  
an eye-opener to him as although  
he had attended Agrostology  
classes some two years ago he  
had never had the opportunity of  
going over the whole school.

They found everything was spotless,  
a place for all items of equipment,  
and everything in its place. The  
staff were most helpful and  
co-operative in providing a most  
enlightening afternoon.

The report was received and adopted.  
(Mrs Allnutt & Smith)

Accounts amounting to £ 7590-19-1  
on Maintenance Account and £ 585-12-4  
on Special Equipment Trust Account
