

MARYSVILLE

ENTERTAINMENT AND PRESENTATION

Brilliant moonlight favoured the last series of evenings given by various residents to augment the funds of the Marysville Tourist Association held at the Crossways last Thursday evening. The function was most successful, over 150 being present and the association will benefit to the extent of 10 pounds.

The spacious refreshment lounge, which has recently been enlarged to cater for the growing needs of Marysville was beautifully decorated with daffodils and Iceland poppies and proved eminently suitable. Great credit is due to the Misses Bolam and McGowan for this necessary and attractive addition to Marysville. In the construction Messrs Cuzens Bros. have, as usual, displayed excellent workmanship.

Most of the evening was spent in dancing. Mrs Barton ably assisted by the Marysville Orchestra supplied excellent music. A progressive euchre tournament was also held, the winner of the ladies prize being Miss Spillane of "Marylands" while Mr R. Klingin of Marysville was the successful gentleman.

As an appreciation of services rendered during his term as councillor of the Healesville Shire, advantage was taken of such a representative gathering of friends to make a presentation to Mr F.J. Barton J.P. of a beautiful gold cigarette case, suitably inscribed. Mr E. N. Roberts also an ex-councillor, made the presentation and expressed the hope, which is shared generally that Mr Barton would again allow himself to be nominated at the next election as it is felt that Marysville, with its growing importance, needs local representation.

After the presentation, which concluded by all singing enthusiastically "For he's a jolly good fellow" Mr Barton suitably responded. An excellent supper was provided and dancing was continued until after midnight.
