KINGBILLI

IT'S JUST NINETY MINUTES FROM MELBOURNE, but a tranquil world away, on the banks of the Little River, at the foot of Cathedral Mountain. Kingbilli's pretty, secluded bluestone cottages with open fires & private spas, are completely self-contained but why not be totally indulgent and have full or partial catering, with delicious meals, picnic & barbeque hampers delivered to your door. Choose either... The Honeymoon Cottage with a romantic loftstyle bedroom and balcony... Ballards Hideaway, with its magical lead-light windows and intimate wishing well spa... or The Studio with its fernpool, waterfall and private island gazebo. Do it all... sailing, swimming, fishing, tennis, white-water rafting, Llama trekking, abseiling, horse riding, skiing, hot-air ballooning, golf, browsing through the local craft shops and galleries... or do nothing. Enjoy a lazy spa, the open fire, a glass of wine and... each other.
