

SOMERLED HOLIDAY HOME

Holiday Home Now Business Venture MARYSVILLE,
Monday— An addition to the business community has
been made by the purchase of "Somered," a luxurious
holiday home, which has been converted to cater for
teas, suppers and dinner, parties. The purchasers,
Messrs. J. C. and R. Groatorex and Mrs D Ivey, faced with
the making of a two-way road through the property,
employed the aid of a bulldozer to do the job.
