

Woodlands Rainforest Retreat

This property existed both before 2009 fires and was rebuilt after the fires.

Woodlands Rainforest Retreat is a unique accommodation property providing a rare combination of genuine privacy, indulgent luxury and nature based experience in a secluded temperate rainforest setting.

Comprising of four architect designed secluded self-contained 5 star rated guest cottages set in rainforest remnant on this 15.25 hectare property that boasts Hermitage Creek & waterfall running through it. The owner's residence (circa 1908) has been tastefully refurbished and offers a guest reception, with private living quarters providing three bedrooms, one bathroom, formal & informal living & dining rooms with a feature open fire place, a fabulous kitchen & private outdoor living spaces.
