

Bruno's Art and Sculpture garden is the creation of world renowned artists and sculptor Bruno Torfs, whose creative nature and ability to think outside of the box has led him to create one of the most amazing collections of art ever opened for public viewing in our district.

Bruno first opened his gardens and gallery in 1996, and it quickly became a defining part of the Marysville Arts and Tourism scene. Today the gardens and gallery are truly magic with over 100 outdoor exhibits and a gallery full of amazing works.

We encourage you to take the time to travel to Marysville and experience this truly magnificent exhibition for yourself.
