Many people will remember the recent pleas of Brownies and Guides for Colgate-Palmolive labels. These labels were collected by Guides, Brownies, Cubs ans Scouts all over Victoria in return for \$100,000 which was donated to the Guide and Scout movement by Colgate Palmolive.

In addition, prize money is to be awarded to the groups who collected the highest number of these labels Marysville Guides and Brownies have been fortunate in obtaining 4th prize to the value of #25.

Thanks to all those who came to our aid and saved their labels. I also wish Tickets available at the door. to extend thanks to Mrs Bottoms who braved the wet, cold weather at a moment's notice to check our final figures.

MARYSVILLE SENIOR CITIZENS Last Monday. November 28, the S.C. celebrated their FIFTH Anniversary with a dinner at the "Crossways".43 members sat down and enjoyed a beautiful meal of Roast Pork and Roast Lamb, followed by sweets and fruit cup. Not having to clear away and wash up, the afternoon was rounded off with short speeches, a sing song and a general get together.

The celebration finished with afternoon tea when the birthday cake was lit up-cut up-and distributed. The 5 candles were lit by Mrs Sund whose idea first started our M'ville club and the cake was cut by our oldest mem-up" the pool and surrounds. ber, Mrs Clara Duffield, who will sonn be Many hands make light work so please

Special thanks to Mrs Kit McLean for 9.00 A.M. making the cake and to Mrs Glad Whiteley for icing and decorating it. We wish to thank the Crossways staff for their attention in catering for our dinner and afternoon tea-it was really appreciated. I am sure that the Editors of the "T.N." will join with others in wishing us Many Happy Returns.

ENJOY "DAMPER" WITH YOUR TUCKER AT THE PUMPERNICKEL

'We are leated to announce that on Bunday December 11, "DAMPER", a very talented and versatile Australian bush ballad group will be entertaining at the Pumpernickel during lunch and through the afternoon.

We are keeping our fingers crossed for a good response to this new concept in entertainment in Marysville. If it proves to be popular, the "Damper" may appear on a regular basis.

The afternoon will follow a casual ·line, hopefully with much audience involvement and participation. We would plove to see the whole family come

along.

A three course meal for \$8,% price for children will be served. However you're welcome to come along during the afternoon for coffee. Make your booking early for this rather novel Sunday treat and help to make the 11th Wirreanda '77 such a festive and finthe beginning of regular happenings at ancial success.

SENIOR CRICKET

Marysville Seniors were at home to

Alexandra last Saturday.

Everyone was very interested in the toss of the coin as the weather conditions would no doubt favor the batting side.

In keeping with our luck, Alexandra could see a big score confronting them.

However.two quick wickets by "Rats" changed the score to 5-125. Fine bowling by Ratcliffe and Tacey who bowled unchanged after tea saw Alex. dismissed for 179. "Gun" Sartori made 80 for Alex. Marysville opening batsmen, Walshe and Mainey successfully batted out the half hour remaining to stumps. Scores Alex. 179-Sartori 80, R. Parsons
