SCOUTS AND CUBS

After the previous month's meeting which had to be abandoned because a quorum could not be formed the meeting last Tuesday night was relatively successful.

After the brilliant performance of the local troop in the Cohen Shield competition when two Marysville patrols finished equal first IN THE STATE it must be obvious that the leaders of scouting in Marysville are worthy of support.

It was therefore pleasing to see this support in some measure at the last meeting.

The Wirreanda Art Show will be open to the public at Gallipoli Park Hall connencing Saturday October 30 at 10 a.m.

Open each day 1:1.00 a.m.-10.00 p.m. until Tuesday November 2. GOLF NEWS

A good gathering of players turned out for the 4BBB mixed event on Sunday. The members will probably deny that the reason they all seem to turn up for these mixed events is because they enjoy the chance to play around(sorry) a round with the girls. Anyway the couple to combine really well were Nancy George and Ken West (62) from Merle Potter and Ted Norman (63). Nearest the Pin winners were Mavis Hadfield and Albert George.After the game presentations were made to the Champions and winners of all major events played throughout the year.
