SWIMMING POOL CLOSES

Our pool has closed for this season after a very active year by the club Committee under President Lou Ackerman.

Major renovations were carried out to the pool itself and the next major project is to be a complete repainting to be carried out before the pool opens next season. Grades 5-6 under the guidance of their teacher, John Hawthorne, and Colin Timms from "El Kanah" have spent two days scrubbing the pool sides and floor. The team did an excellent job and now have an appreciation of the amount of work which is necessary to maintain the pool.

We are very fortunate to have the pool and its worth can be gauged from the number of children who reach a high standard of water survival skills each year. 12 children achieved the "Bronze Star" which is the last award they can attempt before the "Bronze Medallion". The latter cannot be attempted before the child reaches 13 years of age. As well, 15 children gained their "Herald" certificate and 10 their "Tad-

pole" award.

A further 30 children reached varying standards in the "Vicswim" awards.

As well as the schools' awards the Cubs(10 awards), Guides(9) and Brownies (9) have also made excellent use of the pool.

The scouts utilised the pool to practise water safety and canoeing skills.

The organisations listed above extend their thanks to pool committeemembers for making the bool available for the work carried out.

Thanks also to Gail Scanlon for the excellent job she did as caretaker for

the last season.

Like a lot of things in Marysville we tend to be very unappreciative of our good fortune in having them. Our pool is one of the very few in the state which run without creating heavy financial burdens to the town, This is due to the amount of voluntary work carried out by very few people.

So how about it...when painting time comes up how about a few more willing

helpers on the scene?

FOOTBALL

At Silvan last Saturday we saw a 17 man U 17 team from Marysville whip the daylights out of a newly formed Silwam U 17 side by twelve goals. It was pleasing to see new players R. Ackerman, K. Suffern, J. Younger, M. Flannagan, M. Wait, T. Culhane, showing so much promise. The experienced players-R. Snell, S. Argent, G. Walker, J. Flannagan, P. Gould, D. Connell, P. King, D. Sund, R. Hoskin, ... Walker and M. Burchall-also had a big bearing on the game. Russell Potter and Warren Cann were missing from the team. Saturday's Peter Hudsons were Snell(4 goals), Gould(2), Sund(1), Hoskin(1), Burchall (3), Younger(2) Argent(1), Suffern(1), Ackerman(1), If they keep playing like this they will be finals contenders for sure so let's all back them up through the year.

Congratulations to the team leaders for this season... Stephen Argent (Cap.) Robert Snell (V.Cap.), G. Walker (Dep.

V. Cap.).

The seniors also fielded a 17 man side in a hard hitting game against the top third div. side, Silvan.

It was only in the last quarter we failed up forward as three of our key players were not present and we could not capitalise on the high kicks to the full forward zone. We finished three goals down but were by no means disgraced. The coach agreed that we had improved 100% on the last game. Best for M'ville were...R. Tucker ("World Beater"), T. Ross, R. Fiske, R. McGeary, L. Blundell, J. Ratcliffe, B. Worcester and C. Hayden.

Next practice match is against Thornton at home on 2/4/77. This will be a real test. so come along and see your locals in action.

There will be a get together at the Buxton Hotel after the home game on 23/4/77. Supporters are all invited.

BOWLING CLUB

Unfortunately we have to report that the M'ville A Div. team was defeated last Sat. by Warburton in the semi final. In a game of fluctuating fortunes Warburton ran out winners four up.

The finals of A Tiv. (H'ville V Warby) Buxton Hotel. and B Div. (M'bulk V H'ville) will be played at M'ville tomorrow. The fact that much profit.

M'ville has been chosen as the venue for these games is a tribute to the club and particularly the green keeper.

On Sunday the final of the Yarra Valley Assocn. Fours Tournament will be played at M'ville. In this final the local team of Lou Potter, Jack Haycraft, Bill Bernard-Haig and Jim Reeves will do battle with the Keith Thomas team from Varburton.

The Lady Bowlers held their Charity Day at M'ville yesterday and a sum of \$30 was raised for the Heart Foundation Appeal. All clubs affiliated with the V.L.P.A. run a Charity Day during the season and a combined cheque from the Assocn. is then presented to the nominated charity.

The ladies had some trouble controlling the two "young blokes" namely Lou Potter and Jim Wallace but eventually they were grought under control by th-

eir better halves.

MOBILE LIBRARY

The Mobile Library will come to M' ville for three hours every Tuesday morning commencing on a date in April yet to be notified.

The mobile library carries over 3000 books and it is hoped that the residents erstanding Adolescents, First Aid, of M'vibbe make good use of this Shire service. Here is a good chance to get more value out of your rates.
