FAREWELL

Doreen, Len, Karen and Peter King wish to thank all their friends and customers for their patronage of the Crossways during the past few years.

A special thanks to all the sporting and Community Clubs for helping to make their functions "something special"

We would like to take this opportunity to wish every success to the new residents of the Crossways, Colin, Jean, Jim, David and Liz.

Those of us in the district who have enjoyed the unique hospitality provided by the King family at the Crossways wish them all the best in their new life at Yarra Junction. Good luck!

SNOW DAWAGE AT KOORINGA

Barry and Kath Brenton wish to thank very sincerely all the people who last week gave their time and effort towards making Kooringa functional after the snow caused severe disruption from fallen trees.

Everybody worked so hard to help overcome the problems even though they had other pressing committments and we are most grateful.

Despite the big freeze we were warm- ALL WELCOME. ed by the community spitit.

SENIOR CITIZENS

Although it was a cold, wet afternoon last Wednesday June 8,23 members attended the Social Afternoon held in the R.S.L. Hall.

It was indeed a very happy gathering and, before the games started, our President, Mrs A. Norman, welcomed a new Club member, Mr Greenwood from Taggerty.

Also we wished Wrs Edwards from Taggerty many happy returns after cel-

ebrating her 86th birthday.

Whilst a ladies' team played indoor bowls against a gents' team, the rest of the members palyed a game like Bingo. Wee Jock and Doris won most of the

games and Mrs Sund won the main competition.

We wish to thank Mrs Weinberg and Lois Ritchie for providing the lovely prizes for the various competitions.

We regret to announce the death of one of our foundation members, Mrs Lil Tandy. Although they moved to Healesville four years ago, the Tandies retained their club membership and atten-***********************

FOOTY CLUB

Well, a great team effort by all concerned on Saturday saw the U 17's lower Emerald's colors, who are second on the ladder. It was a great cliff hanging game and only for a point kicked right on the siren by Russell Potter the game would have gone to Emerald. Full marks go to all the boys for this superb effort and, as I stated last week, they are going to be a real finals prospect. Goals were kicked by Grant Walker(3), Dale Cooke(3), Robert Snell(2). In was hard to pock the best players as they all desrved a vote. Tomorrow. Marysville U17 V Silvan at Silvan.

Seniors . The big boys were brought down to earth on Saturday by a well disciplined South Belgrave. They tore us apart around the packs and continued to do so for four quarters. We are still in the four at the moment but a loss on Saturday will see us out. I hope the boys can pull out of the fire.

Goals. Price(4), Haden, Ross, Buckingham, Torimer, McGeary, Tucker(each 1).

The next two games will be very hard as we play Wandin and Emerald respectively.

TRIBUNAL RESULTS

Reported for allegedly striking the umpire. Found not guilty of striking but then fined \$30 for obstructing the umpire in his duties.

(It seems strange that a defendant can be found not guilty as charged and then found guilty and fined on a fresh charge laid by the court).

Lloyd Blundell Seniors...reported for allegedly striking an opponent. Found guilty and suspended for two matches.

John Ratcliffe seniors. reported for allegedly abusing the umpire.
Found not guilty.
