LETTER The following letter was received during the week: Dear Lions,

A few weeks ago Dad sent me a few copies of "The Triangle" to bring a bit of my home town to me. I must say you are doing a great job, as it brought back memories, even though I have not been gone two months. They made me laugh at the things that go on-small things a person living there might not even notice. I enjoyed them immensely and wait for the day they are a good sized paper.

Keep up the good work, and put in a note of greetings from a home sick ex-viller. Sandra Ross
