FOR TOP SERVICE TO YOUR OIL HEATER....

GREAT EFFORT, DOT!

Last Monday Dot Jones went to Bux-

"Big Deal!", "So what!", "I've been there too!", we hear you muttering. But! Have you ever pushed a wheel barrow to Buxton from Marysville?

Dot did. And not only did she push a wheel barrow bacause in the barrow was Marysville football coach, John Ander-

The epic journey started at the . Marysville Hotel at 9.30 a.m. and finished at the Buxton Hotel at 2.30p.m. The effort was genuine as Dot did

push the barrow all the way.

Marysville Football Club Social Committee will be well rewarded because generous sponsors have recognised Dot's effort to the tune of \$600 to \$700.

As we said-"Great effort, Dot!".

SUCCESSFUL DAY AT NARBETHONG.

The Narbethong Primary School Mothers Club wish to thank all the people who supported the Fete and White Elephant Sale last Saturday.
A lot of work by all involved real-

ised a profit of \$185 for the M.C.

Special thanks to Don Lovett for the use of his trestles and for his day's ... work in leading "Roger" around while the children enjoyed horse rides.

Thanks also to Henry Deutscher who provided rides for the children with

his mini-tractor.

Eric Sherman made and operated games and Sue Hawthorne and David Ingham worked as enthusiastically as ever.

Many thanks to all! Linda Stebbing.

GOLF

What with the weather being a little on the wintery side and some players at the Warburton Tournament, numbers were down somewhat on Sunday. Nevertheless some good scores were carded in the Gould Trophy "Bogey Event". The winner for the day was Ken West, 4 up, from Geoff George, 2 up.

Nearest the Pin was won by Albert

George.

Next Sunday is the first day of Pennant with the Dalhousie team playing at Seymour and the two Acheron Valley sides playing at Eildon. The local competition will be held on Saturday this week.

Although numbers were small

at the "Amway" demonstration last Tuesday, the Associates report that the afternoon was very successful.

On Saturday evening the 25th of June the club will be holding a Tea-Dance night. If you feel like eating out and doing a little dancing later please come along. Everybody welcome.

BINGO

All Clubs and Organisations involved in the Marysville · Community Chest are advised that there will be a meeting in the GALLIPOLI PARK MEET= ING ROOM on WEDNESDAY JUNE 22 at 8.00 P.M. Please make sure that your club is represented at the meeting because a copy of the Act relating to Bingo has been received and will be discussed at the meeting. If everyone turns up all clubs will be in the picture about the whys and wherefores of Bingo.

FOOTBALL

The U 17s travelled to Silvan on Saturday and were greeted by red mud and a determined Silvan U17 team. Throughout there were passages of good play and the lead changed many times. The game was marred by shocking umpiring. It seems that the Y.V.M.D.L. is trying to establish itself as a major league and, in doing so, becoming a trendsetter in having the two umpire system. To have the two umpires for each game they have had to recruit more umpires and it appears that to do this they have dragged in inexperienced umpires "off the street" so to speak.

It's a shame that these "umpires" are learning the game at the expense

Mind you, this is not only confined to the kids' games! Anyway, final scores were:

M'ville 6.7(43) Silvan 4.12 (36)

Goals Cooke(4), Argent, Potter (1). Best Ackerman, Argent, Younger, Lorimer.

Incidentally, Dale Cooke is leading the goalkicking for the league.

The seniors were not so lucky and again in shocking conditions went doen to Wandin.cont. over Scores Wandin 18.10 (118) M*ville. 12.11 (83)

Goals Anderson, Price(3), Ross, McGeary (2), West, Hoskin(1). At the moment the seniors are in fifth place on percentage so they will have to win this Saturday to stay in it. Tomorrow the U17s play Powelltown at Powelltown and seniors play Emerald at Emerald. Social News There will be a B.B.Q. at C. Barton's on the Sunday after the Healesville game which is on June 26. First there will be a training run at 10.30 a.m. sharp. Don't forget the Mid-Season "Do" on July 9. Tickets \$10 all inclusive. Thanks to Dot Jones for her magnifi-

-TODA MODE MOSO LLEUTON BLLIVE BELIEVE IT OR NOT.

Apparently Jim Reeves was quite a good athlete in his day and even ran in the Stawell Gift. Jim couldn't afford spikes so ran in bare feet. Giving away a start of 100 yards, Jim won with 30 yards to spare. The winning margin would have been greater but for the three inch tall spikes left on the track after all the bracken fern was cut down. We have this story on good authority as it was told to us by Lou Ackerman who was told by Jim Reeves. What more evidence to you want for
