You can't beat the "Triangle"...first with the latest. Issue number 22 which came out on July 22 was the "First Birthday" edition. Just for interest...can anyone find that first copy at home?

Our new Community Care Centre is to be opened by the Minister of Health, the Honorable W.V. Houghton, M.L. C., on Fri. August 19. This was the only date available to the Minister-attempts were made to have the big occassion on another day.

The Opening will take place at 4.30

on the above day.

Representatives from the Hospitals & Charities Commission, members of the Healesville, Eildon and Alexandra medical profession, parliamentary reps. Shire Officials and the Lions Club District Governor have been invited.

It is hoped that the weather will allow Scouts, Guides, Cubs and Brownies

to form a guard of honor.

This is your invitation to be present-we hope everyone who possibly can Will attend.

When the ceremony is over we suggest itories and the leaders have their that you nip home, feed the children & don some informal festive gear and celebrate further at the GRAND OPENING SMORGASBORD/DANCE at the Marysville Hotel beginning at 7.30p.m. Let's make

it a night to remember.

How about a few items from the dlubs like a Bowlers Ballet, Foresters Fan Dance, Golfers Gavotte, Senior Cits Swan Song, Lions Lament and something feathery thy of Buxton. footed from the footy club. You have very short notice, but so did the committee.

The winning group should get a valuable prize-probably a packet of bandaids or laxettes presented by a visit-

ing V.I.P.

The charge for the evening is being kept low-\$5 each for a first class meal and lots of fun. To manage this we will be suggesting that Focal guest houses and caterers prepare the feats and the rest of us donate the wherewithal either in the form of meat, vegetables, eggs etc or in money. We'll have a meeting in a day or so and draw up a master plan.

Tickets will be available next week at the Post Office and local shops.

Buy early or you could miss out on an historic occasion.

FOOTBALL.

The Under 17s played for the third time on the Sth Belgrave Pig Sty on Sat and were unsuccessful in their attempt to topple the top side. They reckon if they could play them at home they would show them a thing or two. Seniors : Despenation was the name of the garden sheds. Goods may be left with game on Saturday when M'ville, playing with four key players short took third place Wandin apart in a thrilling, close finish. Wandin got within 5 points in the last few moments but the backline never faltered under pressure. If they show the same desperation over the next three weeks, they will surely make the four. Bomorrow U17. play Wandin away. Snrs. Emerald at M'ville.

CARNA 'VILLES! (supporters that is!) What has happened to the supporters of 18 hole stroke event was won by Albert our footy club or are the players all orphans. The last game away we could only by Nancy George. There isn't a great hear one male voice (Percy Barton's) plus five or six ladies giving vocal support. To make it worse, we played with 17 men, no runner for the side and a crippled coach and the juniors had it even worse. Last Saturday, at home, we walloped one of the top sides but it wasn't because of the roars of encouragement from our male supporters. Come on now, fellas, three games to go-let's hear you around the boundary....your tonsils should be well oiled by now. H. Worcester
