"BEWDY NORM!!!" ... UNDER 178 IN GRAND

beat South Belgrave for the first time this year and the win, in the Prelim. Final, couldn't have come at a better time.

The game started in Marysville's favor and stayed that way for the entire 100 minutes.

The team played with the same desperation that put Wandin out and it is hoped the same spirit continues tomorrow. Special mention to Grant Walker for his saving marks in the last line of defence. While Grant was controlling the game there, Robert Snell and Steve Argent were roaming around keeping the ball up in M'ville's forward line. Russ Potter, Ray Hoskin and Dale Cooke were Dangerous up forward not forgetting Tony Culhane, "Rabbit" and "Acky" and rover Dean Connell. The whole team deserves a mention. Especially when Sth Belgrave got within two points and the Villes kept them at bay to win 8.15 to 7.10.

Dale Cooke only has to kick about four goals to clinch the League Goal Kicking Award. We hope we see three cars last Tuesday was a great success. We for every player tomorrow because to get so far they deserve all our support.

All supporters should leave no later than 8.15 a.m.
