You want yo see someone play a back hoe as well as well as Liberace plays the piano? Ring PETER CASTLES on Top work at competitive rates.

Vol.2; No.29 **************************

FOOTBALL The many Marysville supporters who travelled to Gembrook last Saturday to spur on the Under 17's were disappointed that our boys failed to pull off the big one but at least there is the consolation that there were a lot of teams whose colors weren't in the Grand Final.

With an average age of 15, the M'ville team were up against a much taller and heavier team and although M'ville started with a couple of quick goals the opposition proved to powerful and ran out winners by about 10 goals.

In the last quarter the M'ville boys tried to get the ball to Dale Cook so he could kick a winning score for the goal kicking. Dale finished the game equal first for the League Gaal Kicking award. Unselfish play by Dale when he short passed to Russell Potter who was in a better position in the goal square possibly cost Dale an outright win in the award.

The barbeque at M'ville after the game was a most enjoyable event and special thanks go to the ladies and others who helped by donating goods for the event.

Now that Spring Cleaning time is here many people will be tidying up their yards so if any scarp metal comes to light please put it aside for the footy club to collect.

On Friday September 30 the League will be holding its Presentation Night in Ferntree Gully. Cost-\$8.50 Double.

At this evening, Steve Argent who won the League Best and Fairest Award and Dale Cook, equal first in goal kicking, will receive their awards.

Don't forget the M'ville team's Presentation of Trophies Night at the Buxton Hall. This will be on Friday October 21. As well as trophy presentat- Church of England ... this week only, ions there will be a great night's ent- Church and Sunday School ... 9.30 a.m. ertainment.

See you there.

THORNTON UNDER 14 · FOOTBALL
