FIRE BRIGADE:

Noticed all the smoke around lately? That's the Forestry boys burning off: around the outskirts of the town. For a number of reasons, the C.F.A. and Forestry are expecting the worst season ever this year; the main reason being the excess fuel brought down by the heavy snow falls this year and the heavy growth which has been encouraged by heavy rain and warm weather.

The Forestry are doing their utmost to reduce the hazards and, in doing so, are burning all danger areas and potential hot spots in a perimeter around the town. While the Forestry are doing their bit outside the town, the local C.F.A. are very concerned by the large number of high fire risk blocks within the town. Everybody should be aware of the immense temperatures created by a

bushfire and the fact that they create their own wind makes them even more dangerous.

If ahybody is thinking of burning off, please do it now while conditions are perfect but don't forget to let your neighbors know what is going on.

If you need a hand to burn off or require some re-assurance, don't hesitate to contact Trevor Harrow on 633230 or any other Briage member.

Fire is a terrible thing so don't

let it be Marysville.

Our Annual Meeting and Election of Office Bearers is coming up in the next couple of weeks so we expect a big roll up.

CRICKET

Last Wednesday the Marysville Cricket Club held its Annual Meeting.

It was well attended and indications are that the 1977-78 season will see an improved team from Marysville.

Two new players are Darrell Parry who is a Farm Manager at "Cloverbrook Park" and Pat Tacey, the Head Teacher at Taggerty Primary School.

Office Bearers... Pres. Mick Greatorex; Sec. Andy Beveridge; Vice-Pres. Bernie Culhane and Ian Walshe.

the first game.

The President and Secretary of the Alexandra Association attended the meeting and outlined a move entailing the possible amalgamation of the Alexandra and Mansfield Associations next season. The Alexandra Assoc. has obtained a grant to top dress and reform the turf wicket at Leckie Park.

your support.

JUNIQR CRICKET. The boys of the district and the Cricket Club are very keen to re-.. enter a team in the Under 16 comp. To make this a reality there must be very strong support from the parents Junior Cricket ... cont. ...

of the boys concerned. To guage this support there will be a meeting at Mick Greatorex's home NEXT WEDNESDAY OCTOBER 5 AT 8.00 P.M.

MARYSVILLE WATERWORKS TRUST

In so far as is practicable, an attempt will be made to restrict the scouring of the Trust watermains to a WEDNESDAY so that consumers may make their household laundry plans accordingly.

Also, it could happen to be found necessary to leave a scour valve running for about half an hour to clear that section of the watermain in which case nearby houses could be out of water while that particular scour is working.

Trust Secretary.
