VALE FRED

With sadmess shared by all we record the death of Fred Fiske on Tuesday Oct. 4. His family will miss a loved and loving husband, father and grandfather.

Notes printed in the Marysville Centenary Booklet of 1963 record the value this community placed on one of its most prominent members......

"Many personalities have left a mark ified mechanic. on Marysville. Some families remain and continue, others played their part

and went their way."

"Fr 'erick Fiske (Fred's father)lcame to Marysville in 1903 and, with his brother, grew raspberries, possumed and ran cattle in the bush. Frederick married Caroline Walker, bought a farm in Buxton and this farily is well represented in the district today."

BOWLS

Marysville's opening last Friday was a most successful event with the high 10.00 am there will be a cleanup of the light being the presentation to Ralph badge. The presentation was made by Jack Moss-a R.V.B.A. Councillor. Last Monday evening a meeting of local club delegates and R.V.B.A. officials was held at Marylands. The visitors were taken to the Falls. The next day R.V.B. A, officials inspected the Marysville club rooms and greens and praised the improvements which have been carried out. Lou Potter's work as greens keeper was. mentioned as an excellent effort. Ernie Kelly, Club Sec., claims M'ville has the best greens in the Y.V.B.A. We are sopry that we are unable, due to lack of space, to print a full list of delegates to the above meeting but . ?? will do so next week.
