SO YOU THINK WE BON'T NEED IT? As the old saying goes, "You don't value your health until you don't have it any more". This saying could be paraphrased to read-"You don't realize the value of an active, efficient Fire Brigade until you need it".

At last Wednesday's (planned) bi-enn ial meeting of the Marysville Brigade the attendance was so poor that the meeting was turned into a General Meeting. THE BI-ENNIAL MEETING TO ELECT OFFICE BEARERS HAS BEEN NOW SET FOR THURSDAY OCTOBER 27 AT THE HOTEL AT

8.00 P.M.

By attending you will not be steam rolled into an office bearer's job but your attendance will be valued support. Living where we do in Maryswille and District it would be wise for everyone. to have some concept of the operation of the fire brigade. So how about rolling up to show that the work put in by the few strong workers in the brigade is really valued and not just taken for granted.

BIKE-A-THON .

Thanks for the sponsorship support given at the recent effort. The riders enjoyed the trip from Buxton to Alex. and a special mention must go to the escort vehicles.

Lunch was provided in Alex. by the non riders of the Buxton Red Cross.

The Associates shield was also successfully defended by Beryl Ayres and Pat Sund(for the second time this year!). The members' pennant battle ended in a draw-3½ games each. The Marysville winners were L. Sund, W. Perry L. Ritchie and Ken West played a draw.

The 18 hole stroke events were won by Nancy Norman and Jim Henderson. Nearest the Pin was a family affair

with Pat and Len Sund the winners.

Longest drives went to Beryl Ayres and Ted-Norman. Thanks to the ladies and Bill Luwas for preparing such a wonderful B.B.Q. tea.Next Sunday is ----R.S.L. Day so chat up your partner for the mixed Canadian event and let's support the R.S.L. boys. See you there.

CRICKET:

After being in what should have been a winning position, Marysville batsmen did not support "Rats" after his superb bowling (7-27) last week. Disaster came for M'ville on the first ball of the day's play when Darrell Parry's was bowled. Walshe gave the the 'keeper a simple catch with the score on 22.

Paul Jones and Peter Halliday put some respectability back into the innings with a solid 36 run partnersh which ended when Paul attempted a suicidal short single only to be run out. Skipper, Denis Brown lost two partners before young fony Culhane helped him take the score to 101. Shortly after tea, Brown miscued a hook shot into mid-wicket's hands but with three wickets left andnd 38 runs to get there was still a chance. Andy Beveridge, with 19 not out tried hard to bridge the gap but wasn't supported. Marysville was all out for 123.

Scores: Redgate 148 (Ratcliffe 7-27, Walshe 1-29, Parry 1-19, Tacey 1-14)

> Marysville, Any time,

Dear Bill, We've been up here for a week now and having a great time. Today we had a late breakfast at a new spot in Marysville. It's a B.Y.O. Restaurant right in the main street. You could sit by the big front windows from 11a.m. on each day (except Thursday) and watch the world roll by while eating some of the best food you would find anywhere. On Saturday and Sunday you can start from 9a.m.! The menu offered by Karl and Robin Adolphs (the owners) is always changing and, what's more, if you would really like something not on the menu they'll prepare it for you! If you want something way out this can be arranged too provided you give a couple of days' warning. It was a bit sad last Saturday night. We were sitting there wrapping ourselves around some sup rb continental fare and quite a few people came in expecting to enjoy themselves but the place was full up.I'll bet they'll

remember to book for next Sat.! Cheers for now,

Fred and Marg. P.S. It's called the "PUMPERNICKEL" \*\*\*\*\*\*\*\*\*\*\*\*

DISTRICT COMMISSIONER

We can't tell you the name but it seems that the local Guides and Brownies have gained the new D.C. they need. Margaret Ackerman has retired after quite a few years' sterling service. Thanks Margaret! Margaret's replacement has to have her appointment ratified. More news when it is official.
