NEWS FLASH

It has come to our attention that three ladies, having arrived home from a heavy night at the Kinder Dinner, felt strange tremors around 12.30am that night. One was seated on the toilet at the time. Another was in bed with her husbund. While the third thou ght, hopefully, that there was a prowle at every window of her house.

BEST WISHES!

Elizabeth Ackerman, who is in the air force training as an Air Defence Plotter, sends best wishes to all her friends in Marysville. Elizabeth will be home for a few days over Christmas so she will be able to see some of her friends then.

Margaret and Lou travelled to Newcastle last weekend to see Elizabeth and also a parade of Airforce and Army equipment and personnel.

### VICTORIAN AUTISTIC CHILDREN'S ASSOCIATION

This Association is currently conducting an appeal aimed at raising \$100,000 toward funding of their various centres.

Lions Club members have been selling raffle tickets for the appeal over the past month.

These tickets were to be sold through
Victorian Service Clubs such as Lions but unfortunately, the response by these clubs was very
poor. In fact, Marysville & District Lions with
21 books are the largest selling agent.

The Association is now wondering if the raffle will raise money or cost money.

The Lions Club has 20 tickets left and thes may be purchased at the Marysville Garage between now and next Monday.

Blease call in and see Dan and help this worthwhile cause:

## "THE TRIANGLE NEWS"

The local Lions group,
A supposedly hard working troop,
Bring us all the news,
And bottle all our booze,
They sell us Christmas cakes
That we hope they didn't make

There's Walshey and Andy with the news,
And their distorted views.
And Mick and Peter(his son),
Always on the run.
Then there's Brian Oliver,
A faithful Lion follower.

A faithful Lion follower,
And Barry who is quite new—
He must think the others
belong in a zoo (we all do!!).
Then we have Mick G.,
And also Walter V,
We cannot mention all the rest
for we have done our best
And we would like to say,
We think you're all Okay!!
Signed...Lion Lovers XXXX00000

(For those people keenly interested in poetry, Miss G.McLeod has further information on the source of the above epic-Eds.)
