"Is the Lions Club of any value?"
Club President, Walter Vanni, is keen to have people ask this, and other, questions and extends an invitation to local people to come along to hear District Governor of Lions, Ray O'Donnell, speak on "The relevance of Lions Clubs in a Community".

Ray will be the speaker at the Lions Dinner Meeting at the Pumpernickel Restaurant at 7.30p.m. on Monday, Feb. 20. If you would like to attend please contact Club Secretary, Andy Beveridge on 633361.

Come along and find out what Lionism

Luco odw male emorns bus aretroqui

is really all about.

CRICKET NEWS

Seniors Although the team has not recorded a win since the Triangle has been in recess, a feat well worthy of publication was achieved on January 23 and 24 when M'ville played Eildon. After winning the toss, M'ville openers Paul Mainey and Paul Jones recorded a partnership of 161. This was the best opening stand by Marysville batsmen for many, many years-in fact no one has yet come to light with a better opening stand.

The first wicket fell when Mainey was out for 68, with Jones on 91 and extras

Paul Jones went on to score 103-a fine effort by tjis young player. It is also a long time since a Marysville player scored a century. The team total was 6-286 and what looked like being a certain victory went down the drain with the rain which stopped play the following day.

If the M'ville batsmen can score in the same vein tomorrow they should better the 220 runs made by Alexandra last week and so finishnthe season on a winning note.

Juniors With one match to play, the junior team is level with Redgate and Thornton. However only the top two teams play in the final so it could all depend on %.

Best of luck boys-you need a big win tomorrow.

This edition marks the start of the 3rd year of printing the Triangle. We invite your support and particularly would like to hear more news from Buxton and Narbethong. How about finding a local reporter to 'phone in news to us of a Thursday night on 633256
