THE COMMITTEE OF THE COMMUNITY CARE CINTRE WOULD LIKE TO DRAW ATTENTION TO THE EXCESSIVE NUMBER OF AFTER HOURS CALLS MADE ON THE NURSING SERVICE DURING THE LAST FEW WELKS.

THE STAFF REPORTS THAT, WHILE SOME NORMAL CLINIC HOURS OF 9A.M.-5 P.M.

Apart from the very important fact that after hours calls can be exhausting for the sisters, such calls place a strain on the Centre's finances as each call can involve a two hour overtime payment of approximately \$20 and \$31 on Public Holidays.

IF YOUR CALL IS REALLY URGENT, BY ALL MEANS USE THE SERVICE-THAT'S WHAT WE HAVE A CENTRE FOR-BUT DO AVOID AFTER 5P.M. CALLS WHERE POSSIBLE.

THE COMMITTEE WOULD BE GRATEFUL IF MORE THOUGHT WERE GIVEN TO THIS MATTER.

CARNIVAL A GREAT SUCCESS inc swimming club wishes to thank anyone who helped make the recent carnival(last Sunday) such a success.

The competition was won by Peter

Henderson.

At the A.G.M. this week it was agreed there be working bees on the next three Saturday mornings to get the course reasonably ship shape for the start of our new playing season at the end of this month. Work to be done includes broken branches heaped for burning and surface stones removed to reduce dam-

to mowing equipment. Will all members who possibly can, please assemble at 9a.m., Sunday, on the 14th fairway. B. Y.O. rakes, forks, shovels, buckets, axes, and barrows. A Chain saw would also be useful to clear branches on a large gum blown

down on the fairway.

The work mentioned is important and u urgent in view of the forthcoming see in it can be approved as an alttonative to Flinders and Anglesea for State Golfing Clinias. The writer was at Flinders during a week's clinic dor top girl players (70 or more my guess) and is convinced that such appmake our club known in the golfing wo world and also be welcome publiwity for our town as a holiday resort. Again, to members-a good muster please

PARENTS VERSUS KIDS.

Last Saturday the Marysville Under 16 cricket team played a team group collection of parents in what could be loosely described as a game of cricket.

Outstanding performances came from "Ponsford" Cobb, "O'reilly" Hoskin and "Lindwall" Goulding.

In a cliff hanger finish the last two BATS(Merle"Slammer"Potter and Judy"Slasher"Weinberg) pushed the score passed that of the juniors.

Merle"Slammer"Potter batted with great courage, not even bothering to wear the "box" (abdominal protector) offered to her by young Mark Adolphs.

Russell Potter, after a superb 46 retired, dropped a catch from the flashing bat of Judy Weinberg. Some spectators thought it could have been Russell's gentlemanly bearing coming to the surface. The vebroid dose assault

A very enjoyable afternoon was topped M.C. 1.30 p.m. off by a.B.B.Q. at Rex Goulding's home. ***********

Scores Jean Connell assures us that as official scorershe knows the parents won by one run. She is unable to give any explanation as to why the score sheet with the parents' scores was the only .1 one torn from the score book by a freak gust of wind.
