THANKS FOR ALL THE ARTICLES Friday March 10,1978 THIS WEEK---KEEP UP THE

BUXTON TRAGEDY

Our district was shocked to hear of the tragic death of Gail Greatorex as a result of a road accident on Wednesday night.

Gail was knocked from her motor cycle close to her parents' home in

Buxton.

We all extend our sincere sympathy to Gail's husband, Garry, her parents, Mr and Mrs Beynon and parents in law Mr and Mrs Joe Greatorex.

THANKS, SISTER MOLLY!

The many friends of Sister Molly Kay will be sorry to hear that she has resigned her position as relieving Sister at the Community Care Centre. The long distance between her home (Mt Martha) and Marysville made the position a very wearing one for her but in spite of that she gave herself untiringly to her work. In her letter she says, "I have enjoyed the Centre work. It has given me perhaps more satisfaction than any other type of nursing."

The Committee, in accepting the resignation, has conveyed by letter to Sister Kay thanks on behalf of the townspeople for the good service she has given to the community and best wishes

for the future.

We shall be advertising for a relieving sister to do mainly weekend work. If anyone knows of an available Registered Nurse, preferably, but not necessarily, holding a Midwifery as well as General Nursing Certificate, please contact a Committee member.

AN EXPLOSION OF ANOTHER SORT ... was heard in Healesville the other day when Boots McLeod backed over a small, inoffensive baby car from the land of the Rising Sun. Driver of said car was a very fiery young lady. Boots was saved by the police man who was checking the truck for roadworthiness. The Senior Constable told the young lady that she should have more sense than to park her little car under Boots's truck. That's Boots's story and he's sticking to it!!!!!!
