"THE TRIANGLE NEWS" GAINS INTERNATIONAL AWARD

Along with other Community Service Projects throughout the world, "The Triangle News" was submitted, for consideration to Lions International by Past District Governor, Bill Clarke.

Each year Lions International awards recognition to many worthwhile Community Projects carried out by Lions Clubs.

Bill Clarke handed over the banner recording the award at a Dinner Meeting recently.

RED CROSS THANKS YOU

I would like to personally thank all who worked as collectors for our appeal and also veryone who gave so generously to Red Cross. With your help, Marysville raised \$436.80 and the Bhire of Healesville's total is in excess of \$1500.

Button sales at Maroondah Dam raised an

additional \$1045.

Val Cockerell District Chairman, Action Committee.

" WATER, WATER EVERYWHERE, NOR ANY DROP TO DRINK"

The Ancient Mariner said something like that and no doubt residents of Marysville could paraphrade the above piece of literature when one considers the events of the past week or

At some time last week, just before Easter, the word started to get about that Marysville's water supply was contaminated. What was contaminating the water?

Another question...when did you flind out th that a water problem existed?

The whole situation could be a minor run of the mill water supply problem but wathout full information people tend to fear the worst. Without a local radio station it is difficult to quickly let everyone know of important news but everybody should have heen informed of the contaminated water supply as quickly as possible.

Hopefully we will all soon be able to attend a public meeting to hear the full story about our water supply. If the opportunity arises be sure to attend.

(continued from previous column)::....

you will see the C.R.B. diverting the road around the brick toilets to increase the parking space available.

It must be pointed out that this is factual information and bears no relation to the news published last year AT THIS TIME. ie. April Fools Day.

INTER-SCHOOL ATHLETICS SPORTS

.Tomorrow will see the Annual District Schools Athletic Sports held at Gallipoli Fark Oval.

The day starts at IO a.m. and admission will be 50¢ adultschi dren and secondary students free.

The day is usually worthwhile attending and you are invited to come along to see the children of the district competing in track and field events.

Lunch will be available.

BELIEVE IT OR NOT!!!! You've all heard about the Scotchman with moths in his pocket. The resident Scotchman on Red Hill Road...one Kenneth McLeod....plunged his hand into his pocket to get some matches only to find a large, spitefull bull ant which latched onto Boots's finger.

This is the only recorded time when a Scotchman
