SENIOR CITIZENS

Our meeting last Wednesday April
12 was full of surprises, especially for
four members who had no idea as to

what was coming next. It started off with the ordinary meeting , then an entertainment of humorous stories, readings, and songs by Les Bell. We finished off with Community singing with Lucy Ross at the piano, also Ian Walshe with his guitar, Then came the pleasant surprise, first to Eric and Elsie Leslie when they were presented with a card signed by the members and a gift to mark the 50th anniversary of their wedding. The other surprise was shared by Tom Lewis and Doris Weinberg when our President, Mrs Norman, presented them with a beautiful pair of cushions on behalf of the club, with our best wishes for their future happiness in their forthcoming marriage. Then followed-not the usual tea and bikky but a wonderful afternoon tea. Our specialthanks go to those junior citizens, Jean Connell, Pat Sund and Shirley Sundfor their great help with the afternoon tea. Also, thanks again to Lucy Ross and Ian Walshe for the music. Yes! We certainly have a real good

time at the S.C.
Repeating that K.H.greeting.."Cheerio"
