WATER...ALL CLEAR!!!! A letter from the Victorian Govt. Analyst direct to the Marysville Water Trust states that there is no longer any need to boil water intended for numan drinking.

This information was passed on to the "Triangle" by Geoff Cuzens, one of the Water Trust Commissioners.

BROWNIES A HIT

Last Saturday night the Marysville Gui-Last Saturday at Powelltown we had to des and Brownies took part in a Region play 19 men. one wearing white gear! Concert which was held at Mooroolbark. Both teams beaten by three points. Zur Region includes Kilsyth, Montrose, Yarra Junction, Lilydale, Mount Evelyn and Marysville.

It was primarily a get together fun night but selections will be made from "Encore 78" entrants who wish to compete in the national song festival to be held in Brisbane in September, Our Brownies performed two items. One

of these was an "Encore 78" entry. My judgement may be slightly biased but I thought that the items put forward by the Marysville girls were the best performances for the evening. Don't

you agree Mums and Dads?

This outing was made possible by the support given by Gillian Scoble who directed the groups, the Primary School Council for allowing us the use of the school's musicah instruments and parents who provided transport and showed enthusiasm by attending and supporting us. Thank you all-your efforts were appreciated.

E.Suffern.
