

Normally the "Triangle News" is not published during the school holidays but a promise was made that, if the local Villains won footy, we would print the good news.

Marysfille finally ended their long string of losses on Saturday when all all three teams travelled to Silvan to play three determined sides on a very heavy ground in blustery conditions. However these conditions did not deter a large band of loyal supporters as they preferred to hang around and cheer us us on to victory.

The Under 17's jumped Silva in the first 14 as they had 3.6 to no score and the the goal kickers were T. Culhane (2) and Pod Walker (1).

The sewond 4 started and the boys, all very determined for a change, added another 1.2 while Silvan kicked 2.1 which made the half time scores 4.8 to

With feelings running high, the boys took the field for the third 1/4 but their kicking for goal let them down and they finished that 14 6.12 to Silban's emen sind got executi bbo been eV. boucas end do cosic exat liv .o.s OC. OF

When the oranges came out the boys and their parents were jumping out of their skins with excitement. Could they holf the Silvan team off? The answer was "Yes" and the final scores read M'ville 8.16 to Silvan 7.6

Goal kickers...T.Culhane(4) NG. Walker (2) M. Walker, D. Connell(1).

According to the coach the reason for the win was due to the stars all firing and the smaller players filled with determination.

The winning trend had been set by the kids but the seconds, with only 17 men had the task ahead of them. However Grant Walker and Richard Ackerman agreed to help us out along with W. Rawlinson and these three players were among the best for the reserves. Thanks fellas-great effort!

The coin was tossed and we wasted no time in kicking with the wind. A pathetic first ¼ had the scores M'ville 3.2-Silvan 1.1.A fiery blast at ¼ time had no effect on the team and they continued their scrambly non team effort play until % time and the scores were M'ville 4.6 Silvan 3.5.

The ½ time spell was welcome and positional changes saw R.Ackerman to the wing, G. Walker half forward flank, W. Rawlinson, Centre and R. Snell back to

Something clicked as we lined up for the third 1/4 and, kicking with the wind, we ran away to a good win with the final scores 18.13 to 4.14.

Goal kickers...J.Anderson, G. Walker, R. Snell(4), T. Egan(2), M. McLennan (2), W.Rawlinson, R.Serong(1).

A great team effort from all after 1/2 time.

It was now up to the seniors to put the third win on the board but they also had good players missing but everyone was keen. The seniors also decided to kick with the wind and had 7.7 om the board at 14 time to Silvan's 3.4. Things were looking good at this stage but in the second 14 Silvan added 7 goals to our 5. Half time...M'ville 12.8 Silwan 10.8.

After ½ time we piled on 5 goals to 3 but ttis marging didn't seem to be big enough as Silvan were very determined and had us worried and also they

had the wind in the 1st %.

It was noticeable that Silvan were getting a lot more free kicks on their forwarf line. It was more noticeable when D. West marked in the pocket and was slammed into the mud...no 15 m penalty!

Things were getting desperate and at one stage we were only a goal up.

It was then that the umpire burst a blood vessel in his foot and had to leave the ground but luckily the U 17 umpire was still present and he finished umpiring the game.

Final scores...M'ville 20.14 Silvan 18.14

Goalkickers....D. West 7, R. McGeary #, T. Ross, I. Jones 2, R. Redfern, J. Serong, P. Greatorex, C. Hoskin, P. Mainey 1.

Tomorrow the U17 and Seniors paly Thornton at Marysville and this will be a real test as both Thornton teams are doing well so come along and hopefully watch another win.

The nedw vebruics COMDNG EVENTS mints and mient been vilentl ellivevnett

On Sunday morning at 8.30 a.m. after the Thornton game all the players are invited to a golf day which will finish at about 12.00
