The seniors played a little better but bad kicking lost us a close and valuable game. Marysville was down 9 goals at the final siren.

This Saturday, at home, the three teams play Fairpark and we hope to see a

big crowd again.

NO BULL!!!! All Goat!!!!!

Next to Doug Jowett's place in Buxton Road lives a large billy goat. Apparently the goat slipped his lead

and went looking for action.

There must be a bit of Don Quixote in the goat's make up because, as Doug Jowett drove past, the goat attacked Doug's car. The rear vision mirror was removed, the driver's door scratched, pasenger side door dented and rear bumper bar attacked.

Leaving Doug's car the goat then

Basil Naylor came to Doug's rescue until the goat stood up on his hind legs and looked Basil straight in the eye! Basil suddenly remembered a very important appointment elsewhere. Daryl Wilson solved the situation and soon had the smelly critter tied

SENIOR CITIZENS

During the May school holidays we all missed reading the "Triangle News" on Friday mornings. Just for the record and for those interested, we have had two extra special meetings recently. On May 22 moving pictures came back briefly to Marysville when our member Jim Wallace operated the projector at the R,S.L. Hall to show color pictures of

a) The aborigines of the North

Coast.

b) Picturesque Kyushu Island in

These colorful pictures were most entertaining and were on loan from

the State Film Library. On May 31, the Elm Concert Party from Ringwood entertained our members with a first class concert at Marylyn Guest House.

The variety of items was so good we were all sorry that the bhow ended at afternoon tea time. We wish to express out thanks to Mr Norm Fiske for his kindly assistance. Also, once again, thanks to those junior cits. who helped with affernoon tea. Members, please keep in mind our next general meeting on Wednesday June 14 in the R.S.L. Hall at 2 p.m.
