CONGRATULATIONS MISS 21. Glennis McLeod recently celebrated her evening at Crossways Restaurant. The Guest of Honor's Father, Kenneth McLeod made the grand entrance in his formal attire -- tails, bow tie and black singlet::.. Ken made a short speech to the assembled guests as soon as he arrived. He made the point to all the young men present that if he (Ken) could attend correctly dressed they should also have worn tails etc. Ken cut a dashing figure as he swept Glennis around the dance to commence the evenings entertainment. After S: te Gray attended to Glennis's foot injuries she was able to hobble up to receive the key from her Dad who outlined her achievements to date. The people a shed that Peter wants to get rid of attending had a most enjoyable evening and wishes Glennis all the best on
