> ANY UNWANTED CLOTHES.

+++++++++++++++

Anybody who has been in the city on a cold day knows what it feels like if you don't have plenty of warm clothing on. Local girl Angela Greatorex who is a Social Worker in a large Melbourne Hostel is appealing for used mens clothing and shoes. With the cold weather men at the hostel are using (where they have them) blankets and sheets off the beds to keep warm as many do not have a jacket or pullover. If you have any surplus clothing or shoes to contribute to this worthwhile cause ring 633264 between 6 & 7 p.m. and they will be picked up.
