A most enjoyable night was had by all with many interesting anecdotes being related.

Geoffs resignation ended a 77 year association Ask the ratepayer what they want of the Barton family with the Healesville Shire. +++++++++++++++++

you to everyone who attended the dinner organised Offer his time for community needs by Cr. & Mrs. Gould and Cr. & Mrs. Haycraft, to mark the end of Geoff's term of office as Councillor of the Shire of Healesville.

Thanks also to the many people who sent messages of congratulations and good wishes.

It was a wonderful evening and, without being too parochial, a typical example of the genuine : to interest, thoughtfulness and support of the Marysville people seldom found elsewhere.

It has been an honour to be your representative over the past 17 years.

LETTER TO THE EDITOR.

Dear fellow Marysville Citizens, I am not looking for arguments or debates but I would like to put my point of view. I believe that the letter in last weeks Triangle news is far from fair. criticism in any way at all. Australia is a large. country with a small population. Money has to be stretched to go a long way. Many things that Bruce complained about could be improved if large sums of money were available. Were our councillors or the appropriate people to discuss with the public in general the spending of their meagre sums of money do you think there would be any hope Marysville Senior Citizens. of agreement on where is was to be spent in a world like we live in today ? I think not. I believe we should all, in Australia and other prosperous countries like it spare a thought for the majority of the worlds population who have not got enought to eat or a shelter over their heads then we maight start to realize how very well off we are. We all fall down when it comes to showing love for neighbour and accepting our lot cheerfully - not the least of all myself. I pray that those who read this will feel a little less dissatisfied and a little more appreciative for the many blessings we have got. Yours etc.,

Reg Dean. It teupen vehicl

Letter to The6Editor - cont'd Dear Sirs,

Issues which have been brought to the notice of proposed councillors by the Triangle News affect all of us. However since this issue of the Triangle News is printed prior to the Election Day it remains to be seen which of the three Candidates enter Council. I assure you that acknowledgement of your letter is received and will be attended to when Election results are known. Yours etc., W. K. Richardson Candidate for the East Riding.

MARYSVILLE FUUTBALL CLUB.

Scores last Saturday U/17's Wandid 8.12 M'ville 5.9

The juniors gave Wandid a real go for their money and proved that if they apply themselves they could be right up there.

Reserves Wandid 19.22 M'ville 9.2

Once again thanks to the U/17's who filled in as we were short again, and under the circumstances the boys did pretty good. Seniors Wandid 15.20 M'ville

Inconsistency was at large in the Villains camp as we made Wandid look pretty good, after a poor display of teamwork. Once again the backing kept the scoreboard respectable.

CONGRATULATIONS BOYS

The combined team of Thornton & Marysville lads, won the U/14's Premiership at Alexandra last Sunday. Before play got underway the President of the junior league Mr. Tom Murray, presented the leagues Best and Fairest Player Peter Ridgway and leading goalkicker Peter Craven with their respective trophies. A large crowd was in attendance to watch a very determined Thornton team defeat their bigger opponents on a wet and heavy ground. Final scores Thornton 3.10 Alex. 1.5. Congrats must go to coach Joey Capp and his assistant Ross Caller (ably assisted by 20 or more dads). And to each and everyone of the players who fought the game out so determindly. Local boys in this group were Peter Ridgway a great captain's game, Mike Beckter & Marshall Walker tremendous in defence. Ricky Goulding & Tony Stockdale won well across the centre. John Goulding a fantastic team mans effort. Brett Weinberg a skillful & tireless game. Darren Ritchie goal sneak of the match. Neale Wells after a season's hard work was unable to play due to a bicycle accident. Avery elated group of young players and their supporters journeyed to the Thornton rooms after the game and were treated to an enjoyable Bar-B2Q. The Premiership Trophy is on display at Manuals, " have a look at it".
