CHLORINATION??????FLUORIDATION????????

Full marks to the Marysville Waterworks Trust for informing the community about planned works. However it appears that some prople have jumped the wrong conclusion about the planned works. There is a different between CHLORINATION and LUORIDATION...

\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*

- 1. CHLORINATION "to treat with chilorine (casin steril: ation of water....) Chambers Shorter English Dictionary.
- 2. FLUORIDATION ..when water is fluoridated a compound of fluoride is added to the water supply with the intention of decreasing the incidence of tooth decay.

The intention in chlorinating water is to lower the bacteria count (or remove allibacteria) in the water.

When fluoride is added to water supplies many people argue that the population is being fraced to take medication 'bey do not want. (or even need)

SENIOR CITS

At the Social Afternoon last Monday, members observed a short silence in respect to cur late member Ralph Ackerman. Our deepest sympathy goes to Elise and family.

MARYSVILLE BOWLS CLUB

The official opening for the 1978-79 season will be in the club rooms TONIGHT. FRIDAY 29 SEP. 8 P.M.

Please note....Wrong date in last week's Triagle.

BABY SHOW.

The Baby Show on Saturday October 14 will not be one of your ordinary punch ups between Mums and Grannies....No sir:

IT WILL BE A FUN DAY WITH PRIZES FOR ALL NIPS.

Prizes will be for "The baby most like mum",

"the baldest baby", "the baby with the most hair"

etc. etc. etc.

So plan to go along and enjoy yourself.
P.S. If baby can't read this please read this notice to him or her or them.
