BUXTON A Lions Club Project Friday October 27,1978

SEE PETER CASTLES FOR THAT SEPTIC TANK WORK.

IT MAKES SENSE TO HAVE TH FROM "GO" TO "WHOA". 633 318

Dear Mr. Campbell's Duck,

In answer to your erotic plea for a mate to solve your problem, may I suggest you contact the executors of the estate of the late Walt Disney in Hollywood U.S.A. His world famous Donald, perhaps having been imported, could bring tourist interest and trade to your rural community, thus bringing needy funds to assist a worthy Lion's Club project. If you wish this union with a good bird entirely to produce little ducklings, well dont panic -think of the tourists - and dont tell them that Walt's Donald is a duck anyway - SO IT'S JAKE HE'S NOT A DRAKE
