WIRREANDA FESTIVAL 1978.

If all goes as planned this year's Wirreanda Festival looks like being bigger and better than ever. Previous features will continue such as the Art Show, Historical Society Display, Gymkhana, Wood-Chop and Halloween Ball.

The Alexandra Motor Bikes will be putting on their lunch-time display and the miniature train will be in action all day Sunday. The Highland Dancing girls will be there adding interest and colour to proceedings.

We have some 29 floats entered for the Parade on Sunday morning. This new feature looks like being a great success, as in some way, a:

large portion of the town are involved.

Don't forget Saturday's programme The Family 8.0 G.J.Duncan L.Potter Fun Day, at Gallipoli Park Centre starting at 2.00 p.m. with " Almost Anything Goes" followed by the B.B.Q. (B.Y.O.meat) at El Kanah starting at 5.15 p.m. followed by a concett at 7.45 p.m. in the E.S.A. Auditorium - all welcome, so join in. The display gardens with their prominently displayed signs will be opened as from 10.00 a.m. Saturday through to Tuesday. Don't forget plans for the display gardens are available from the Art Show. On Monday and Tuesday mornings starting at 9.30 a.m. from Gallipoli Park, Self-Drive tours will be conducted by the Forestry Commission, with the help of some local identities, to explain some of the history of the area. If you don't have the use of a car and are interested, come anyway and we will see if transport can be arranged. It is hoped two different Tours will be conducted.

Join in and have fun there is something for everyone. Val Cockerell, President.

GOLF NEWS.

The saying in golf is that the game is not over till the ball is holed. This was certainly the cast on Sunday in the final round of our club championships. Wykeham Perry started the day eight strokes behind the leader Ted Greatorex and finally caught him on the last hole with a good putt. This resulted in a three hole play off which Wykeham won by two strokes. Congratulations. In b grade AlbertGGeorge held off Owen Egan and Bill Sund. In c grade Tino also came from well behind to beat Howard Walker.

In the associates championship Beryl Ayres was well ahead to be our champion and Jean Connell took off the handicap championship.
