KINDER NEWS: -

It gives me great pleasure to announce that the Kindergarten & Infant Welfare Centre are now out of their financial crisis. The Shire came to our rescue, by reimbursing us for all maintenance costs for the past 12 months. We received a cheque from them for \$1,406.15, for which we are most grateful. Other recent money raisers - a baby show, cup day stall & child minding netted us a profit of ower \$400.

Many thanks to all who have helped in cash and kind. Gillian Scoble, Treasurer.

TYPEWRITER AFPEAL.

One thing we didn't make clear last week is that the typewriter needed for the "Triangle News " must have the same size type as the present machine we are using. All the school typewriters have a type face which is too large to allow all items to be printed most weeks. Hence the need to buy another machine.
