The Trust regrets the inconvenience to the Falls
Road residents who had problems with their water
supply on Wednesday. This was caused by two
major breaks to the main in Falls Road & Mt.
Kitchener Avenue. These repairs were made
despite adverse conditions, but at 7.00 p.m. a
third break developed causing further interruption
to supply. Full supply was turned on at 11.40 p.m.

SENIOR CITIZENS.

Last Monday the Marysville & District Club
celebrated its 6th Birthday with a delicious 3
course dinner at "Mary-Lyn" - with thanks to
Norman & Rosemary Fiske and Staff - also for the
special menu and decorations for the occasion.
President Mrs. Glad Whiteley extended a special
welcome to our Past President Mrs. Freda Norman,
also to some members who had not been able to
attend the regular meetings for some time.

Of course there was a birthday cake made by
Mrs. Kit McLean and iced by Mrs. Glad Whiteley.

Candles were lit by Mrs. Norman, cake cut by
Mrs. Wilson, and candles blown out by Mrs. McLean.
It was a happy birthday party.

We were delighted to hear the news that our
oldest member Mrs. Clara Duffield - 99 years of
age - (Mrs. Bernard-Haig's Mother) won first
prize for needlework in Section B at the Lilydale
Show. Please forgive us for being so familiar,
but " Congratulations Clara ".

After the dinner, great interest was taken in
the showing of photographs, colour slides, and
movies of the recent Wirreanda Procession. The
exhibits entered were a real credit to all the
numerous clubs and also the young people of
Marysville. The Street Stall last Saturday was
a great success. The hamper competition was
won by Mr. Tom Lewis.

+++++ FIRE BRIGADE - FIRE BRIGADE.

Have you noticed the prolific growth of vegetation in and around Marysville lately. Looks nice and green now but by mid January it will be just as tall but very dry and a potential fire hazard.

If you have this sort of growth near you, it should be in your own interests in fire prevention to cut it down , heap it up and burn it before restrictions come in. If you request the fire brigade to help out please call T.Harrow and we will gladly come around. Remember - no fires for the Marysville District.

Ladies and gentlemen of the graduating class I am not going to tell the older generation how bright you are. Nor am I going to say we have made a mess of things and that you are the hope of mankind.

I would like to reverse the process. I will re-introduce you to some of the most remarkable people ever to walk the earth ; people you might want to thank on this graduation day - your parents and grand-parents.

Let me tell you about them ...
These - your parents and grandparents - are the
