Gathering of Townsfolk

Last Saturday saw a very happy bathering at the Marysville Bowls Club, in honour of Owen and Ida Egan.

The Bowls President (Jim Wallace) welcomed everybody on arrival.

Bill Lucas was soon busy preparing delicious steaks on his B.B.Q. and there was a wide choice of attractive salads available - thanks to Jack & Lesley Haycraft for the time spent in preparation of the salads etc and the very attractive table -

This was followed by sweets and coffee and then it was time for the more formal part of the evening, when representatives from the Shire, Forests Commission, Bowls, Golf and Lions Clubs and the R.S.L. extended thanks to Owen and Ida together with good wishes for a happy retirement in Healesville.

On behalf of all those present Jim Wallace and Gwen Greatorex handed over several shrubs, and a cheque, as a token of appreciation of the nine years of service Owen has given to the Marysville community and the very generous support of Ida who was so often required to help out when Owen was away on other duties.

It was a very happy time and the evening continued with music for dancing provided by Jim Henderson. HIP-HIP-IHPOCRICY!

KIDS KORNER.....

We are repeating the invitation to our younger readers to let us have some of your stories about what EASTER means to you.

Keep your efforts as short as possible so that we can print all of them.

Also have a word with Mr. Donald he will be happy to collect your contributions.

It is that time again - yes the annual visit of a large group of Scots who enjoy dancing.

They will be with us from Friday 6th April for the week-end. This gathering has become so popular that it has been necessary to extend our accommodation needs and the area required for the Saturday Night Dance. This year the dancers will be staying as usual at Mountain Lodge and a further number at E.S.A. The venue for the dance will be the auditorium at E.S.A. - the Gallipoli Park Hall has been a great venue but will be too small for the increased numbers - and the Ladies Guild of Christ Church will once again arrange the very generous supper.

So if you would care to spend a couple of hours of so listening to some reels, jigs and strathspeys and of course enjoy some supper you will be very welcome.

With which sport do you associate ...
