********** THOUGHT FOR THE WEEK If you never see anything you

MARYSVILLE AND DISTRICT LIONS CLUB

The Rodee is over and, looking back on the day, it was pretty successful with plenty of thrills and spills to entertain the crowd which comprised a large proportion of locals with many visitors from the surrounding towns.

Unfortunately two things we had organised to entertain the children didn't turn up so we apologise to the young ones for that.

When you're running something like this in a small town like Marysville you cannot hope for success unless you have the backing of the town's people and for this backing the Lions Club is very grateful to the local business and towns people for backing us with sponsorship and supporting us so well on the day.

We are aiming at March next year for our next rodea and we hope to make it a much improved show.

> Thank you for your support. Lions Club Rodea Committee.

HOW OBSERVANT ARE YOU???????????

Notice anything different about this week's "Triangle"?

No!-it's not that old Silky Fingers Connolly hasn't done the typing!

No!-it's not that there are more than the usual number of spelling errors.

The more wide awake readers would have spotted the name "Bob Donald" amongst the Editors this week. Actually Bob, who is the Principal at the Marysville Primary school, has been playing a big part all the year in getting the Triangle printed. Thanks, Bob, keep up the good work.
